Percent satisfied with school-home relations	70.0%	83.0%	68.4%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Chester Middle School, located in Chester, South Carolina, is one of three middle schools in Chester County School District. Our school's mission, in partnership with parents, students, and community, is to prepare students to reach their maximum potential by fostering a commitment to academic excellence and the development of individual strengths and talents in a nurturing environment where individual differences and the respect for the rights of others guide school and committed to improving the quality of life for self and others.

During the 2011-2012 school year, the percentage of students that met their goal in the area of mathematics increased 21% on the Measure of Academic Progress assessment. The Making Middle Grades Work model was adopted to improve school culture, achievement and other aspects of the school that would best meet the needs of students. In addition, a variety of professional development trainings aligned with school and district initiatives were provided for our faculty.

Several community partnerships were developed this school year that resulted in donations for classroom supplies, cultural exposure for students, and support for the school's Snack Pack program. In addition, a coat rack and cubbies were donated to improve the appearance of the school's lost and found area. The school also made improvements in the school-to-home communication by increasing parental involvement through the use of a social media webpage.

Chester Middle School is very proud of its students for their academic achievements. Several students were rewarded for their academic achievement during the year. In addition, six students in eighth grade were honored with the Junior Scholar Award. These students scored 50 or higher on the PSAT in the areas of verbal, math or writing.

As we move into the new school year, Chester Middle School is excited to continue initiatives such as data analysis to improve student achievement in all academic areas for all students. In addition, Chester Middle School will implement a parent/community volunteer program to continue to meet the recommendations made by the School Improvement Council, parents, and faculty. We encourage parents and community members to become involved in the educational process and the lives of our students. Collaboration amongst teachers, parents, and the community is required to ensure the success of our young people.

Cedrick R. Tidwell, Principal

Beth Bridges, School Improvement Council Chair
